## PREACHERSVILLE.

J. L. Kennedy and Bob Garrison gave a delightful ice cream supper Saturday evening, which was well attended.

J. P. Rodgers came very near losing his home by fire a few days since. The fire started from a defective flue but was quickly extinguished.

Master Mason Ballard is the youngest farmer with whom we are acquainted. He has broken, harrowed, planted and plowed six acres of corn by himself and it looks well. This prodigy of agriculture is only nine years old.

The patrons of the Preachersville school are much exercised over the failure of the trustees to paint the school-house and build a yard fence as they promised some three years ago. A new roof was put on the house and is the only improvement since the collection of the school levy in 1902. It is now up to the trustees to wake up and do something. A report should be made as to expenditure of levy collected for the defrayal of expenses incurred in making said improvement.

Uncle George Anderson, our colored rail carrier, received a dispatch saying that his son Jake, was drowned near Cincinnati. His body was found and buried there. No particulars can be learned of the drowning. Jake was a quiet, peaceable Negro and liked by all who knew him. He was a very unlucky fellow, having a leg broken and being badly bruised in the Garrard county cyclone three years ago and barely escaped death after being shot three times in Cincinnati Spring before last.

Holtzclaw, Foley & Elmore bought a yoke of cattle of George Hicks at 3c. They shipped a carload of cattle to Cincinnati. Jesse Fox bought a nice pair of mules of J. H. Thompson for \$240. J. M. Cress sold 400 sheep to Lutes & Co. last week at a good price. Thomas Stigall had a good mule to drop dead in a mow. J. H. Thompson lost a number of geese and one night dreamed that he saw them swim out of a hole of water which he knew to be on his farm. Next morning he hastened to the place and sure enough there they were in a deep hole near the branch, into which they had fallen.

Born, to the wife of J. F. Thompson, a 10-pound democrat—Josiah Lucien. Mrs. G. G. Ragan is about well. Mrs. J. H. Thompson is on the sick list. Mrs. Jesse Traylor, who has been quite ill, is much improved. Misses Myrtle and Susie Ragan and brother, James, will spend the summer with relatives here, returning to their home at Williamsburg in the fall. A. J. Thompson and wife visited Robert McAlister and wife. John W. Cummins is visiting his brother-in-law, Mr. Fraley, who lives in Russell county, Va. Arch Dyhouse and sister, Miss Nora, visited their uncle, J. W. Blankenship, in Woodford. James Bierfield has returned to his home in Pineville, after a pleasant visit to his uncles, J. L. and J. B. Hutchins.

## Don't Let Baby Cry.

When baby cries, something is probably wrong with its stomach, or other digestive organs, and no time should be lost in giving it a small dose of Dr. Caldwell's (laxative) Syrup Pepsin. This is the only safe laxative medicine for Babies and Children, and should always be kept in the house. It contains no injurious ingredients, and can do nothing but good. Try it. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

Civilization is spreading in Mexico. A little red button worn by some 300 women, old and young, married and single, in the City of Mexico, signifies membership in what is known as the Anti-Kissing League. Members of the league take a solemn pledge not to kiss each other, in public or in private, their contention being that kissing is contagious, or, rather, the means of conveying contagious diseases from one fair lip to another.

## Will Interest Many.

Every person should know that good health is impossible if the kidneys are deranged. Foley's Kidney Cure will cure kidney and bladder disease in every form, and will build up and strengthen these organs so they will perform their functions properly. No danger of Bright's disease or diabetes if Foley's Kidney Cure is taken in time. Penny's Drug Store.

The house in Verona, in which Juliet is said to have lived, and in which she received Romeo, has been sold at auction. The bidding began at \$1,200, and the house was finally bought in by the city of Verona for \$2,900.

"A woman's bonnet would not cost much if it wasn't for the trimming," said the miserly husband.

"Neither would a man's whiskers," answered his wife.—Ram's Horn.

Campbellville has contracted for electric lights.

The game of ball between the Stearns and Somerset teams was a most interesting one, neither being able to wrest victory from the other, and after 12 hotly contested innings the game was called on account of darkness with the score standing 7 to 7.—Somerset Mountaineer.

W. C. Davis, a tailor at Somerset, while in his room asleep, was robbed of \$650. Two Negroes named Bud Johnson and Henry Singleton were arrested by Assistant Chief of Police Morrow and charged with the theft. The Negroes were found with \$365 in their possession.

Attorney Charles W. Metcalfe, of Pineville, representing the New South Brewery and Ice Company, of Middleboro, filed suit in the State Federal Fiscal Court for a writ of mandamus requiring Auditor Hager to issue a State license to the plaintiff company for selling beer by wholesale at Pittsburgh, Laurel county. Motion for a temporary writ will be made and argued before Circuit Judge Stout at Versailles.

## Cholera Infantum.

Child not expected to live from one hour to another, but cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Ruth, the little daughter of E. N. Dewey, Agnewville, Va., was seriously ill of cholera infantum last summer. "We gave her up and did not expect her to live from one hour to another," he says. "I happened to think of Chamberlain's Colic, Cholera and Diarrhoea Remedy and got a bottle of it from the store. In five hours I saw a change for the better. We kept on giving it and before she had taken the half of one small bottle she was well." This remedy is for sale by Lyne Bros., Crab Orchard, Ky.

"Peter," said a grocer to his shopman, "I owe about \$1,500."

"Yes, sir."

"I have \$1,000 in the safe, but the shop is empty. I think it is the right time to fail."

"Yes, sir," said the courteous shopman.

"But I want a plausible pretext for my creditors. You have got brains, and I wish you'd think the matter over to-night."

The shopman promised to think it over carefully.

On entering the shop next morning the grocer found the safe open, the money gone, and in its place a note which ran as follows: "I have taken the \$1,000 and am off for Europe. It is the best excuse you can give your creditors."

## Wonderful Courage

Is displayed by many a poor invalid, crushed under the weight of chronic troubles, like constipation, biliousness, neuralgia, headache, stomach trouble, etc. But such suffering, though brave, is quite unnecessary, for Dr. Caldwell's (laxative) Syrup Pepsin will surely cure all these diseases, drive away all the unpleasant symptoms, and restore every invalid to health. Try it. Sold by G. L. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.

Knicker—I hear Subbuss tried to commit suicide.

Bocker—Not at all. He read that when you are drowning your past life rises before you, and he wanted to recall the things his wife asked him to bring home.—New York Sun.

A new directory is completed and about to be issued in Chicago. In connection with it there is the usual effort to boost the population of the city. The directory man now figures out that Chicago has a population of 2,272,760.

John D. Rockefeller can travel 75 miles in his automobile over his estate in Winchester without running twice on the same road. He has not offered the use of his grounds for an international race.

The supreme court of Kansas rendered a decision declaring the oil refinery law passed by the last Legislature of the State to be unconstitutional. The opinion of the court, which was unanimous, inferentially criticizes Gov. Bracken Academy at Morehead, Rowan county, has been sold for a low price to the Home Board of the Southern Baptist convention of Atlanta, Ga. Val Morse played first like an old regular, and like Jas. Frye, is destined to shine in faster company.

The piece is very catchy and full of melody. Quite a number of souvenir copies will be given away during the fair.

EDITOR NEEDY.—A paper from a Dakota town contained the following editorial paragraph: "It is reported that one of the fastidious newly-married ladies of Harvey, N. D., kneads bread with her gloves on. The incident may be somewhat peculiar, but there are others. The editor of this paper needs bread with his shoes on; he needs bread with his shirt on; he needs bread with his pants on; and, unless some of his delinquent subscribers pay up before long, he will need bread without a thing on; and North Dakota is on Garden of Eden in the winter-time."

## Splitting Headache.

Can be often relieved by a nerve sedative, but the scientific way of treating a headache is to go right down to the real cause, or root of the trouble, and cure it with Dr. Caldwell's Syrup Pepsin. Penny, Stanford, C. W. Adams, Hustonville, at 50c and \$1. Money back if it fails.
